

KIDDOPiA

SUMMER IS HERE!

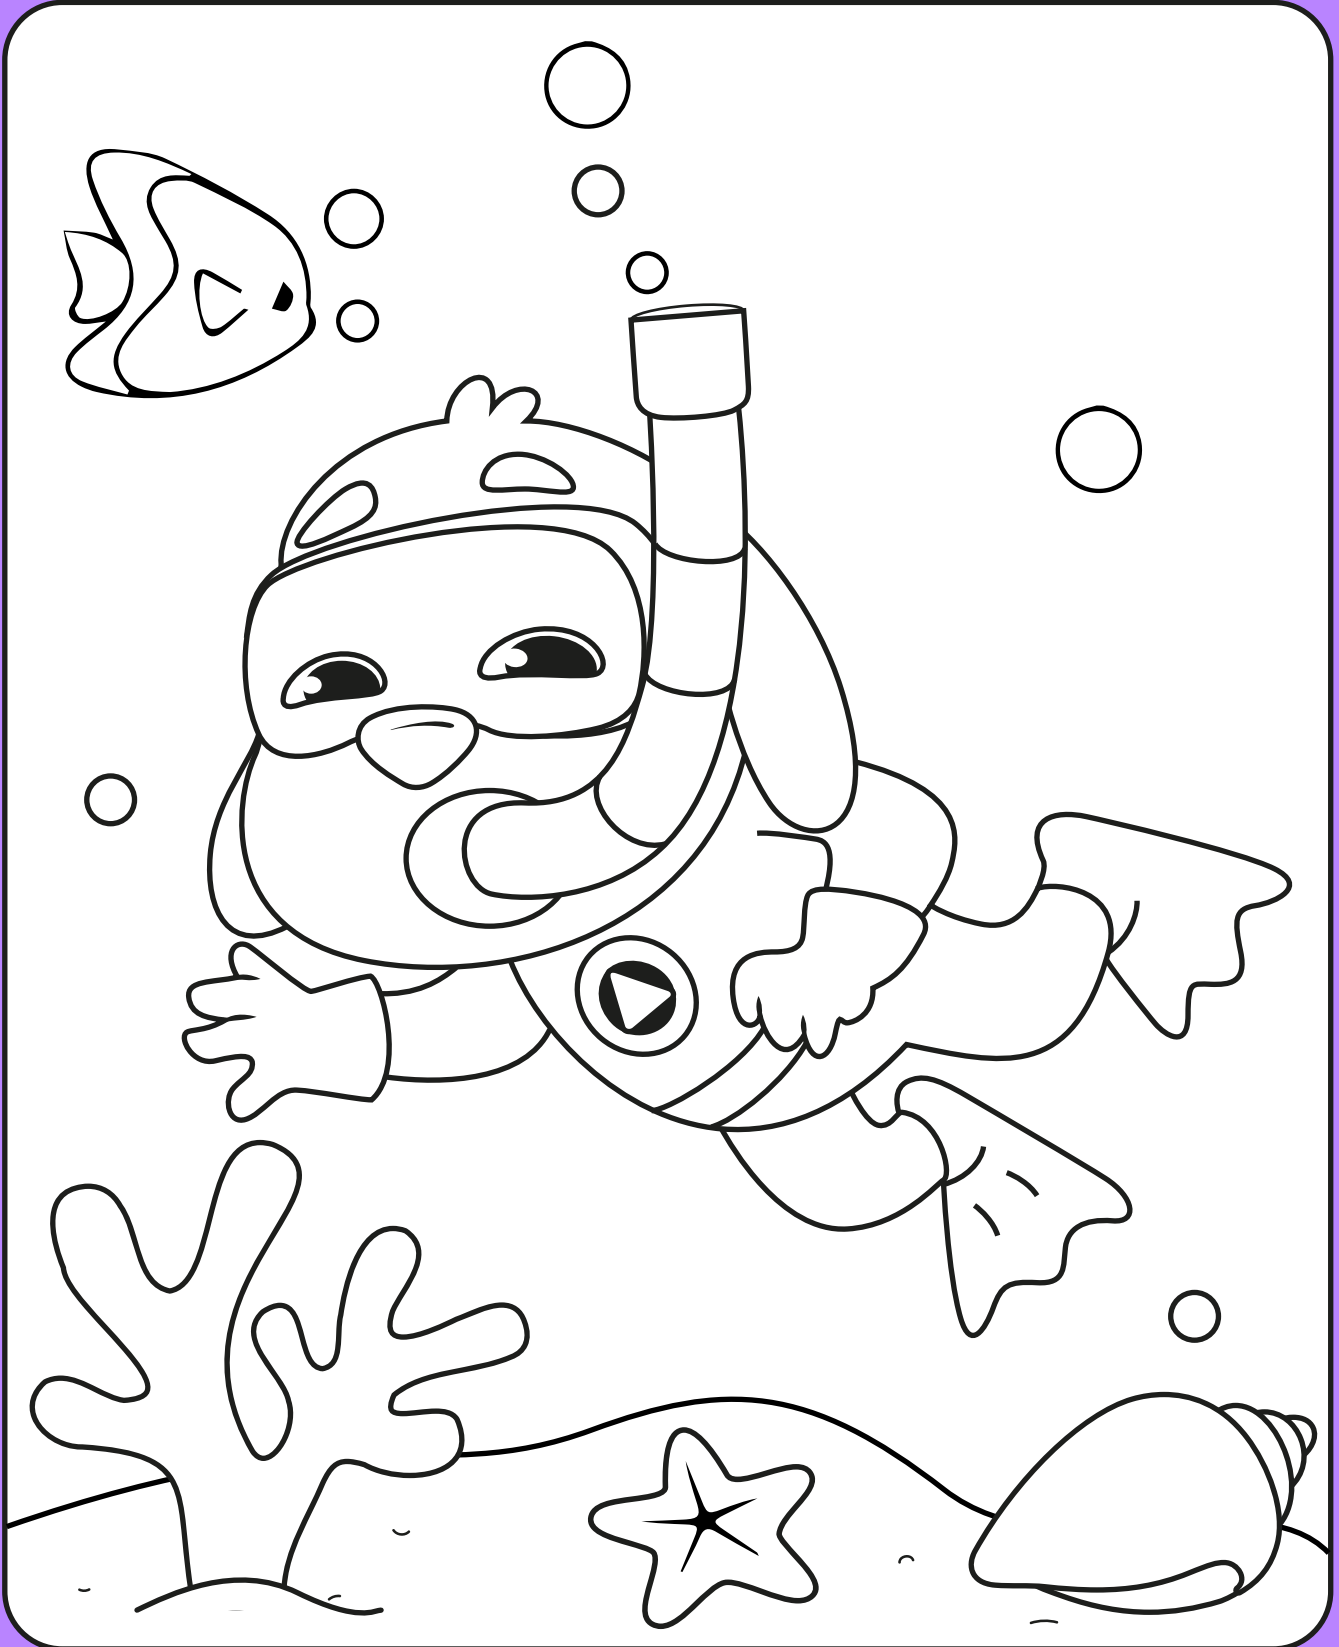

Meet Pete (aka Captain Kidd)!

If there's any pupper who needs no introduction, it's Pete. Ah, but your kiddo knows him as Captain Kidd! Pete stands for all the goodness in Kiddopia. He's a regular, fun-loving, schoolgoing pup at most times, but he's also a superhero, i.e. whenever there's a Kiddopian who needs help.

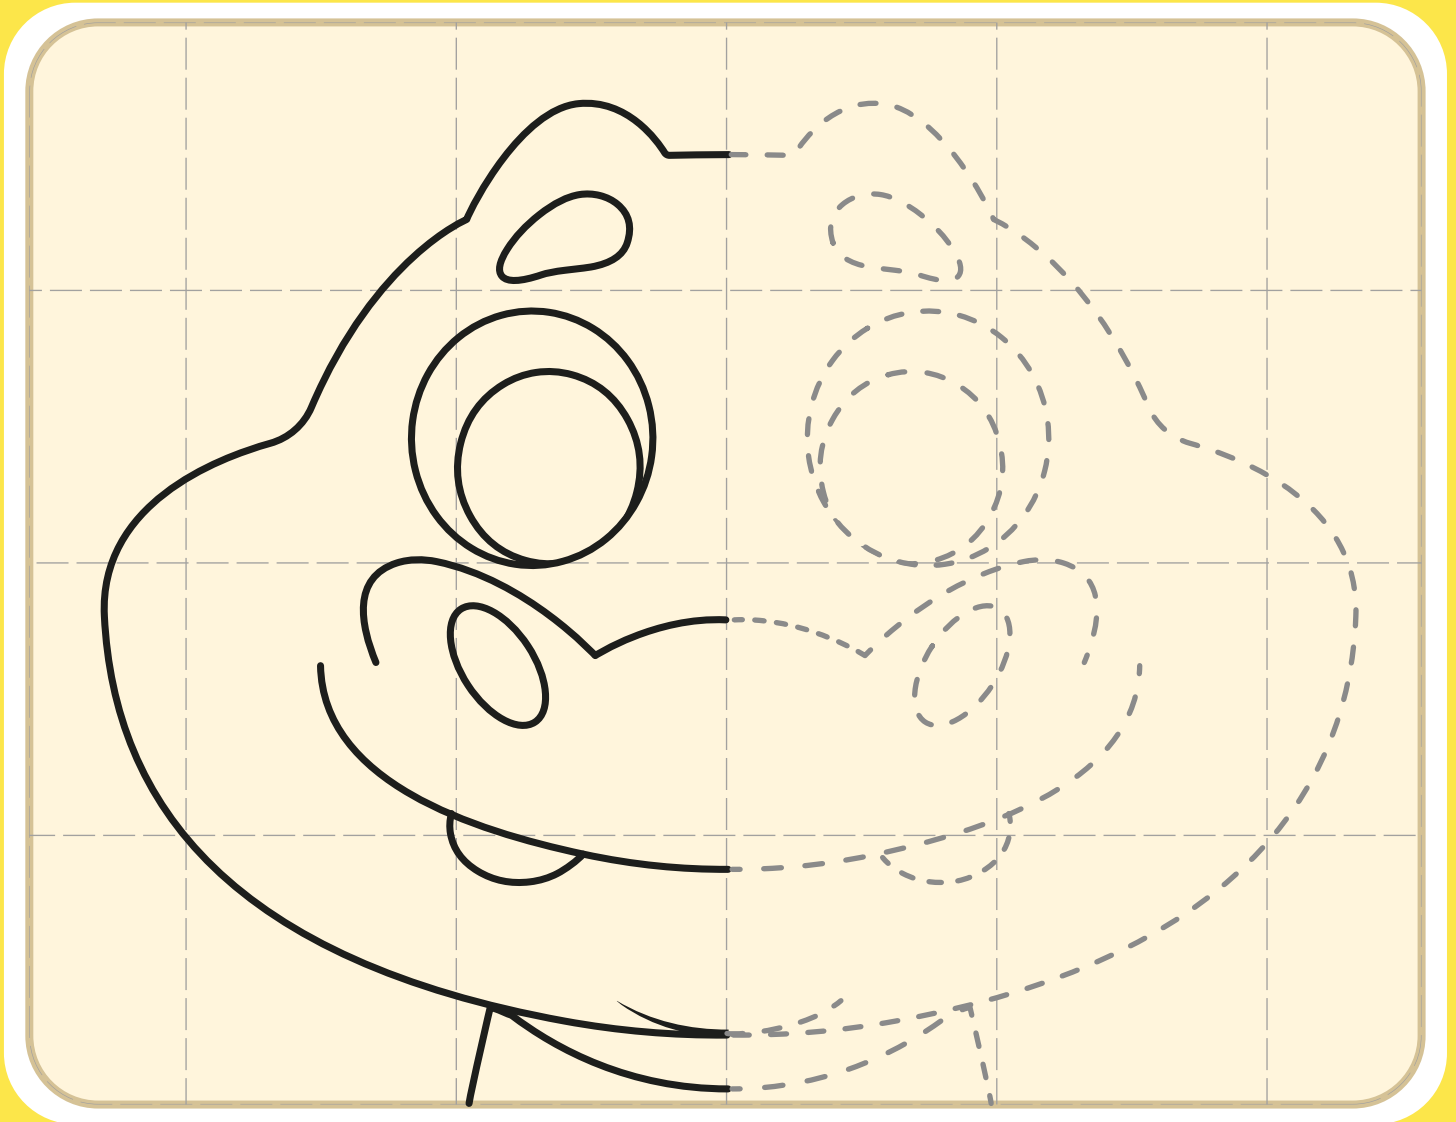

Color Captain Kidd!

Can you guess what our superhero is doing? Here's a hint: it starts with 's'. Go on and color him and his surroundings!

Trace and color

Follow the dotted lines, and trace Chris' face. Don't forget to color him in!

Meet Chris!

He's the croc who rocks! One of Captain Kidd's best friends in the whole world, Chris is a crocodile who keeps getting into trouble but is blessed with a never-give-up attitude. He loves saying "That's so cool!" and is the most enthusiastic little fella in all of Kiddopia!

Match the beach goodies!

Summertime means beach adventures. Match the beach items on the left with the ones on the right. Pick your favorite from the lot!

Meet Dee!

Dee is a young deer, but boy, is she a smart deer! She puts her heart, mind, and soul into everything she does and, therefore, almost always excels at almost everything (taking little Brionny along with her)!

Look at these pretty sea animals! Fill the crossword with the names of the sea creatures placed around it.

Spot the beach items!

Can you find these colorful beach things in the picture below?
Give it a go, and ask Mum/Dad to time you!

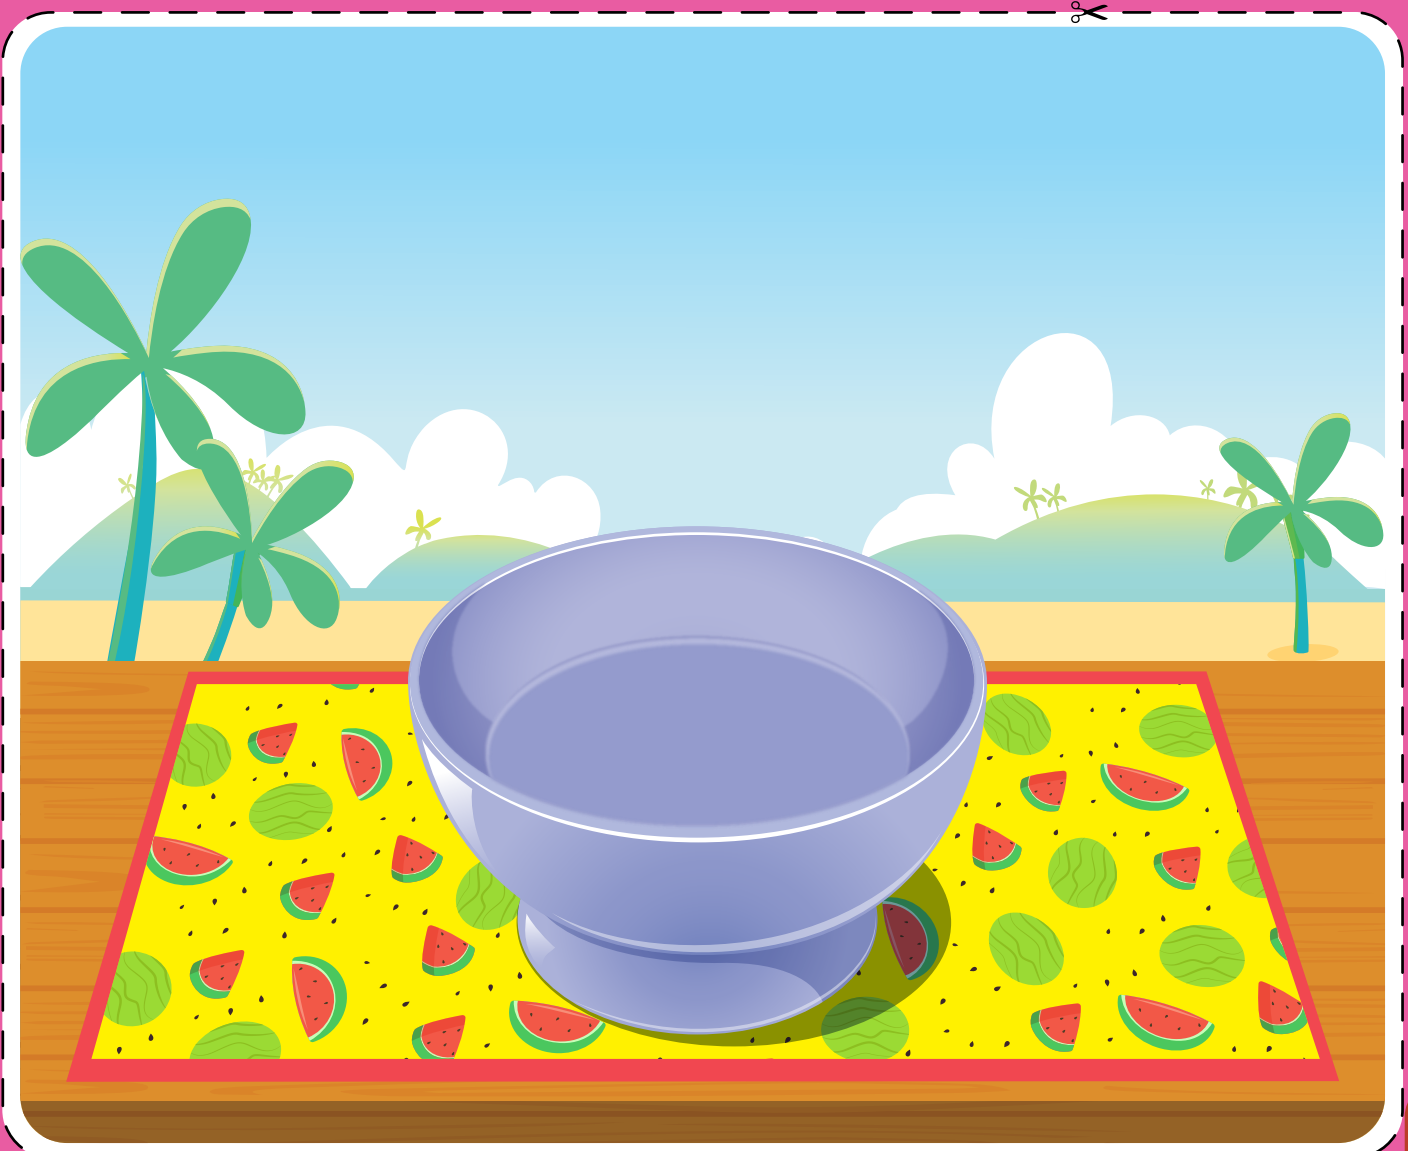

Meet Brionny!

She is not afraid to express herself, and she loves being there for others. Oh, but she goes out of her way for just three things in the world: her family, her friends, and food! Brionny loves sweet things and IS a sweet thing too! She's our favorite little bear.

Let's make a sundae!

How do we beat the summer heat in Kiddopia? Well, with a mouth-watering sundae of course! Now's your chance to make your own. Cut, stick, enjoy!

A step-by-step sundae recipe as easy as ABC!

Now's your chance to make your own sundae. Just follow the steps, and remember to have fun!

1. With the help of the dotted lines, cut out the ingredients for your sundae.
2. Now, cut out the box on page 8 (with the sundae bowl in it), and set it aside. Ask Mom/Dad for help.
3. All you have to do now is stick your ingredients in the bowl. You can either use the sundae Brionny is holding as a reference or do your own thing.

Have you bought our Captain Kidd plushie yet?

He's 12 inches tall, soft and cuddly, and extremely cute. He would also like to make friends with your little one. In fact, he'd like to come over.

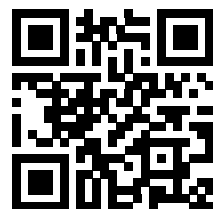

Bring him home.  Scan this code!
